Chief Leon Guthrie Thanks Motorists For Their School Zone Consideration

Pahokee Police Chief Leon Guthrie this week wishes to extend his sincere thanks to the many motorists in the Pahokee-Canal Point area who have helped to establish an outstanding record in the school zone in Pahokee. Through the years that Chief Guthrie and his men have been on the job not one single serious accident has marred the school year and not one child has been seriously hurt in the school zone.

In commenting upon the many years of the outstanding record, the Chief said: "Without the consideration of the many fine folks who drive through the school zone each day, we would have been unable to set such an outstanding record. After all, the folks behind the wheel have made the record and our department members have been there to assist the youngsters across the street when necessary. I know and members of our department know that the drivers have been extra cautious while passing through the school zones and it is our sincere hope that this same consideration will be forth-

coming in the future."

"It's a pleasure", said one school patron, "to sit in a car in the school zone and watch the operation of the police department members. They go about their job of protecting the youngsters with a determination and also a smile and it makes a mother feel good to know that the police and motorists co-operate so wholeheartedly to make the safety of the youngsters possible."

The Everglades News—serving the Pahokee and Glades area for 35 wonderful years—wishes to take this opportunity to thank the many motorists who have worked hand-in-glove with the Pahokee police to set this great record of safety for the youngsters. This newspaper is hoping sincerely that the record may continue for many more happy years and that boys and girls in the school zones of Pahokee will continue to know that folks behind the wheel of high powered motor cars will always take into consideration the safety of the men and women of tomorrow.

SUFFERS HEART ATTACK

Mrs. C. B. Jones received word Monday that her son, J. W. Jones suffered a heart attack Saturday afternoon and is hospitalized in The Presbyterian hospital in Charlotte, North Carolina. Mr. Jones is employed by the State Road Department and lives in Charlotte. He is a former resident of Canal Point.

2 Commissioners On State Panel

Two members of the Palm Beach County Commission will be on the program for the State Association of County Officials when the group meets in state convention at Orlando Oct. 19.

Commissioner Paul Rardin, Association director, said Commissioner Chairman Lake Lytal will lead a panel discussion on welfare and Commissioner Roy Michael will discuss "County Commissions and County Zoning."

Several Roads Canal Point Pahokee & Belle Glade To Get New County Retreads

Work will start within the next day or two on resurfacing 17 streets and roads in the Pahokee, Canal Point and Belle Glade area, according to County Commission Vice Chairman Paul Rardin of Canal Point.

Commissioner Rardin said that the weather might delay the start of the hot mix black topping but otherwise all is in readiness for the work. Bids were received several days ago by the county commission and the Rubin Construction Company of West Palm Beach was the lowest bidder among three pre-

senting figures to the county board.

Cross streets between the school in Canal Point and the packing house section will be retreaded in the plan, Rardin said. These streets lead from SR15, the Pahokee highway, one block to the newly constructed Lake Shore Drive. Several short streets in the Townsite of Canal Point will also come in for resurfacing, Rardin said.

In Pahokee Barfield Highway, a much traveled county road in the city limits of Pahokee, will also receive retreading along with

Rardin avenue which runs from Eacom Point Road to McClure Road through the colored section of Pahokee.

In Belle Glade, Rardin pointed out, the road leading from the old Pahokee-Belle Glade Road past the ice plant to Chosen, is also in the program. The section of this road from the railroad to Chosen will be two feet wider when completed.

NEW RESTAURANT OWNER

Ray Whitlock has purchased Jerry's restaurant in Pahokee and is in charge of operations. Ray successfully operates Ray's Smoke House in South Bay and that spot is known widely for its wonderful barbecue and steaks.

First Sweet Corn of the Season From Alec Ramey Farms on Conners Highway Near Canal Point Sold at Pioneer Growers in Belle Glade on Monday, October 5th for a Record \$4.00 Per Crate.—Heavier Picking Later This Week Is Expected to Bring the Price Down.—Walter Hull and Others Expected to Put Corn on the Market Today.

Jimmy Owens Out As Tax Assessor

James Owens, who retired Monday as Palm Beach County's tax assessor, drew praise from many official circles for his years of work, among them the Palm Beach County Commission which presented the veteran office holder with a resolution of commendation.

The resolution adopted by the board was presented by Paul Rardin, commission vice chairman.

The resolution reviewed the life of Owens; his birth at Dalton, Ga., his arrival in Palm Beach County in 1895; his graduation from Palm Beach High School and from college at Stetson University.

A Naval officer in World War I, Owens became deputy tax assessor in 1916, being elected to the office for the first time in 1924. He was re-elected tax assessor 34 times.

He served as a Palm Beach councilman from 1921 to 1935 and followed that span of years by serving as the Mayor of Palm Beach for 18 years. He retired his mayor's job in 1953.

Owens was commended in the resolution for his "outstanding and valuable service to Palm Beach County."

He will be succeeded as assessor by Dave Stewart, who was appointed to fill the unexpired term by Gov. LeRoy Collins.

Stewart has been working in the assessor's office for the past 13 years, coming here from LaBelle. Owens told the commission that retirement offers a lot of pleasures "but there is a lot of sadness too." He said his court house years had been "most pleasant" and he described the county commission as a "wonderful board—an example for all county employees to follow."

Pompano Meets Blue Devils Tonite

The Pahokee High Blue Devils are scheduled to play their first game away from home this Friday night when they meet the Pompano Tornadoes at Pompano. This contest will be as fully as tough for the Blue Devils as last week's game on the home field in which the Fort Pierce Eagles had little trouble in blanketing the injury-weakened Pahokee eleven, 18-0.

Mrs. G. W. Byrd is the guest of her son-in-law and daughter, Mr. and Mrs. Kenneth Mock, and family in West Palm Beach this week.

Despite the fact that Jupiter Fluvius has been getting in his licks in this area since July 17th, sweet corn went on the market on Monday, October 5th and brought the record price of \$4.00 per crate. The corn was grown by Alec Ramey on his farm on Conners Highway east of Canal Point. The \$4.00 price isn't the highest that corn has sold for in these parts, but growers say that it is a record price for October 5th corn.

Other growers, including Walter C. Hull of Pahokee, were expected to be putting sweet corn on the market today. With the influx of thousands of crates of corn within the next few days it goes without saying that the price will plummet downward. The first offering on Monday, one outstanding grower said, went to buyers who were furnishing stores in Florida only. None of the first day's offerings went beyond the state line, he said.

Pumps of the Central and Southern Florida Flood Control District have played a big part in keeping the water at a low which was conducive to good farming during the early days of fall in the Lake Okechobee Region. Four pumps out of six at twenty-mile Bend have been discharging Two Million gallons a minute out of the West Palm Beach canal and other pumps which were putting water out of Lake Okechobee in the conservation areas have been doing a like job. It is hard to conceive the amount of water moved hourly by the massive pumps which the Flood Control District operates.

Crops in general in the vast agricultural area here on the shore of Lake Okechobee are in unusually fine condition, considering the amount of rain that has fallen. Beans are looking exceptionally good. Cabbage looks better than it has in many years at this time of the year. Pepper and egg plant and many leafy crops are rocking along toward harvest time in good condition. The absence of devastating hurricanes this fall has enhanced the opportunities of the growers to get their crops in early and bring them along toward maturity with a minimum of backsets.

As usual, when heavy plantings are being harvested the market suffers a glut and the prices tumble. This is always so with the order of the day being supply and demand. However, Glades growers are used to most any kind of back set that might come along, so they enjoy the good prices while they can and plant right back, come high or low prices in the future. They are a hardy lot.

Mr. and Mrs. J. S. Chastain are visiting relatives in Thomasville and Cairo, Ga.

Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

The county commission Monday received the county tax roll from Assessor James Owens—a roll that shows county ad valorem taxes for all agencies will total \$16,347,442 for the year.

Turning over the tax roll was described by Owens as probably his last official act. The veteran assessor resigned some time ago and his last day in office was October 5, day of the meeting.

The school board will draw the lions share of taxes for the year with operating expenses of the county in second place. The Central and South Florida Flood Control District, hospital districts and drainage and inlet districts make up the other divisions which will share in the tax collections.

In other actions the commission:

Received bids for remodeling the terminal at International Airport—the apparent low bidder Stevens Construction Co., at a price of \$88,000.

Named Dave Brady, a West Palm Beach engineer, as the fifth member of the county zoning board.

Made plans to order a plaque for dedication of the county's new health building now under construction.

Made plans for dedication of North Shore Blvd., just recently completed under the county road program.

Heard that right of way deeds are being sent here from the State Road Department for widening a section of Military Trail at Four Points.

Forwarded to the State Road Department, a petition from sod growers asking for an extension of Brown's Farm Road in the Glades.

Pick your savings target and shoot straight for it!

A home... financial security... a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving is systems. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do more than save through Payroll Savings. You invest your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you *before* you have a chance to spend it. Your money will go automatically into U. S. Series E Savings Bonds.

Because Savings Bonds earn good interest—3% compounded semiannually when held to maturity (9 years and 8 months)—they're soon worth much more than you've invested in them. And your Bonds will continue to pay this same good interest as long as 19 years and 8 months. That means a return of up to 80% more than you originally paid.

And remember this. There's no guesswork or chance about the Payroll Savings Plan. It's absolutely safe and sure. Invest just \$7.50 a week. In 5 years you'll have Savings Bonds worth \$2063 in cash; in 10 years, \$4446.

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or invest in Bonds regularly where you bank.

For the big things in your life, be ready with U. S. Savings Bonds.

Annual Dinner By Pahokee Chamber

The annual officer installation dinner of the Pahokee Chamber of Commerce was held Wednesday night at the Elks Club in Pahokee and Mrs. Doris Sasser, incoming president, was handed the gavel by retiring president, Mrs. Helen Hillier. Mrs. Sasser and other incoming officials were installed by County Commission Vice Chairman Paul Rardin, who predicted a successful year for the new officers and their organization.

Serving as vice president is Karl Mindlin, owner and operator of Pahokee's outstanding department store known as The Big Lake Store. Treasurer is C. E. (Bill) Williams, president of the Pahokee Rotary Club and associated with Everglades Insurance Agency. The new secretary is Luther York, editor of the Glades Observer in Pahokee.

New board members recently elected and installed by Rardin are: Oscar Dobrow, Leland Shirley, C. R. Wetherington and Luther York. Continuing to serve on the board are: Wiley Tullis, O. R. Bleech, Herman Hendrix, Luke Fraser and Helen Hillier.

Don Kuhl of the telephone company was the featured speaker and brought an interesting message on rockets. The sumptuous steak dinner under the direction of Otto Bleech was cooked and served by the Elks club and comment was extra favorable about the wonderful quality of the steaks and the splendid service rendered by those in charge of the dinner which was held in the Elks Club dining hall.

Conference Nov. 5-6 To Stress Poultry And Dairy Nutrition

GAINESVILLE — Poultry and dairy cattle nutrition will be emphasized during the Florida Nutrition Conference for 1959, scheduled for November 5-6 at the University of Florida.

Dr. J. P. Easter, associate biochemist with the Florida Agricultural Experiment Station and chairman of the conference steering committee, says conference headquarters will be in the J. Hillis Miller Health Center.

Out of state speakers slated to appear include Dr. R. O. Nesheim, Quaker Oats Company; Dr. G. Lynn Romero, Monsanto Chemical Company; Dr. J. M. Snyder, Becaon Milling Company; Dr. J. J. Drain, American Cyanamid; Paul M. Reeves, professor of dairy science at V. P. I.; Dr. W. H. Rhodes, Merck and Company; C. K. Laughton, Marbut Milling Company; and G. F. Ford, Dorsey Trailers.

The conference is sponsored by the Experiment Station and the Florida Feed Dealer's Association. An informal meeting will be held by the Association the night before conference opens. At that time, Experiment Station research workers will discuss work now in progress and answer questions from Association members.

Official registration for the conference will be held Thursday morning from 8:15 to 9:15 at the Health Center.

Stetson Wants Football Conference

Members of the Student Government Association at Stetson University want a football conference among the small colleges and universities in Florida.

Dr. Hugh McNairy, dean of the University, holding a football as he spoke to the several hundred students in front of Stetson Union, said the league has the full endorsement of the administration.

SGA President Fred Jefferson said the Student Government Association will invite representatives from Rollins, Florida Southern, Jacksonville University, and the new Florida Presbyterian College to the campus for a meeting to discuss the conference.

Judy Pugh Weds Larry Berryhill

Announcement has been made of the marriage of Miss Judith Ellen Pugh, daughter of Mr. and Mrs. Melvyn Pugh of Pahokee, to Larry Berryhill, son of Mr. and Mrs. Elmer Berryhill, also of Pahokee. The wedding took place at Folks-ton, Ga., on June 28.

Before her marriage the bride attended Pahokee High School and was a majorette in the PHS Band.

Mr. Berryhill was graduated from Pahokee High School with the Class of 1959 and is now associated with his father in the construction business.

The couple are making their home in Pahokee.

Last Rites Held For J. W. Garner, 90

Funeral services for James Will Garner, 90, of Pahokee were held at Waco, Ga., Tuesday afternoon.

Mr. Garner, who made his home here with his daughter, Mrs. Jackie Barwick, died Saturday at Umatilla, Fla., where he had been visiting his daughter, Mrs. Ruth Yarborough, for two weeks.

In addition to his two daughters, he is survived by a son, S. L. Garner, of Waco, Ga., seven grandchildren and nine great-grandchildren.

Those from Pahokee, in addition to Mrs. Barwick, who attended the services at Waco were her daughters, Mrs. Guy Hatton, Jr., and Mrs. Ray Hatton.

Savings Increase In State Florida

ORLANDO — Savings in Florida's 106 savings and loan associations have increased \$276 million in the first eight months of this year. This was an increase of \$86 million over the same period last year.

These figures were recently reported by the Florida Savings and Loan League in a statement that showed that loans closed during the first eight months of this year totaled nearly \$429 million. This figure represents a gain of about \$118 million over the similar period last year.

Personal Items

Mrs. Duncan Padgett, accompanied by her niece, Mrs. Milton Carpenter, and daughter, Karen, of Belle Glade, spent Wednesday and Thursday with her son-in-law and daughter, Mr. and Mrs. Albert Garcia, Jr., and family in Tampa.

Mr. and Mrs. Rupert Mock were visitors in Gainesville over the weekend.

Marilyn Mock, Susan Graham, Willoia Tyson and Laura Boyd have been named cheerleaders of the Nidget Football Team made of sixth and seventh grade boys at the Pahokee School.

Mrs. June Rogers of South Bay, the former June McKinstry of Pahokee, is a patient at Good Samaritan Hospital, West Palm Beach, this week.

Mr. and Mrs. L. J. Fraser were weekend guests of their daughter and family, Mr. and Mrs. Bill Daventport of Tampa. They were accompanied home by their granddaughter, Debbie Daventport.

Mr. and Mrs. Charlie Clewis and children of Tampa were called to Pahokee on account of the death of Mrs. Clewis' grandmother, Mrs. T. H. Abbey.

SURPRISE PARTY

Kenneth Hitchcock entertained at his home on East Main Street with a surprise party and barbecue dinner, honoring his wife, Violet, on her birthday anniversary. There were approximately 20 guests.

OFFICIAL BOARD MEET

A meeting of the Official Board of the Pahokee First Methodist Church Thursday night will be preceded by a meeting of the stewardship and finance committee at the church on Tuesday night.

Funeral Services Mrs. Abbey, Age 86

Funeral services for Mrs. Anna Isabelle Abbey, 86, of Pahokee will be held at the Pahokee First Methodist Church this Friday, 2 p. m., with the Rev. Clare Hall, pastor, officiating.

Mrs. Abbey died at Everglades Memorial Hospital Wednesday morning after a long illness. A native of Lexington, Ky., she came here from Tampa 16 years ago. She was a member of the Pahokee First Methodist Church.

Survivors include one son, T. H. Abbey, Jr., Atlanta, Ga.; one daughter, Mrs. Lucille Mann, Atlanta; one stepdaughter, Mrs. Frank Shaugnessy, Pahokee, and five grandchildren.

Active pallbearers will be Olaf Boe, R. J. Schroder, I. M. Lair, O. R. Bleech, J. V. Thomas and Frank Rozelle.

Burial will be at Hillcrest Memorial Park, West Palm Beach. Williams - Wetherington Funeral Home is in charge of arrangements.

Home Dedicated By Dulany Family

Approximately 150 friends of Mr. and Mrs. John A. Dulany and son, Philip, attended the service dedicating their new home at 225 N. W. Ave. E. in Belle Glade Sunday afternoon. The Rev. Lee D. Rustin, pastor of the Community Methodist Church, used the home dedication service from the Methodist Discipline, concluding with a ceremony in which the guests participated in union.

Mrs. Russell E. Tucker was in the receiving line with the hosts. Presiding at the refreshments table were Mrs. Joe Maxwell and Mrs. A. J. Spencer of Pahokee; Mrs. J. R. Faulk, Mrs. R. P. Mackey, Mrs. E. M. Lively and Mrs. Culley Collins of Belle Glade, Mrs. R. J. Schroder and Mrs. Lloyd Hundley, both of Pahokee, were in charge of the guest book. Others assisting were Mrs. E. D. Sims, Jr., Mrs. Ernest Maxwell and Mrs. W. S. Ingram; also Mrs. Dulany's mother, Mrs. C. A. Shive, and sisters, Mrs. Duncan Padgett, Mrs. Dan Carpenter and Mrs. Ralph Grimes. Those assisting were corsages of orchids and hibiscus blossoms made by Mrs. S. K. Smith, Sr., and Mrs. Leo Maxwell.

Milton O. Carpenter, nephew of Mr. and Mrs. Dulany, sang, "Bless this House," accompanied at the piano by their daughter, Mrs. S. K. Smith, Jr. Background music was played by Philip Dulany and his niece, Miss Gloria Miriam Smith, and cousin, Miss Rebecca Grimes.

The centerpiece for the refreshments table, which was covered with a white cloth over pink, was an arrangement of white carnations in a silver bowl. This, as well as an arrangement of pink carnations in a white vase at the guest book table and a floor basket of gold and bronze chrysanthemums, was a gift from friends.

The Dulanys are moving into their new home this week.

Judy Sanders To Wed B. J. Peacock

The engagement of Miss Judy Sanders to Billy Joe Peacock has been announced by her parents, Mr. and Mrs. E. C. Sanders, 260 Bacom Point Rd., Pahokee.

Miss Sanders is a graduate of Pahokee High School, Class of 1958. Mr. Peacock was graduated from Pahokee High School in 1953 and is now associated with Humphrey's Seafood Company of Pahokee and Belle Glade.

Plans for the wedding will be announced later.

Joey Alderman Is Rotary Member

Joey Alderman was inducted as a student member of the Pahokee Rotary Club for the 1959-60 school year at last week's luncheon meeting of the club. Joey, a Pahokee High School Senior and halfback on the Blue Devil football team, is the son of Mr. and Mrs. Joe M. Alderman, a past president of the club. The induction ceremony was under the direction of Paul Rardin and John A. Dulany, both past presidents of the club.

Guest speaker was Herman Austin, principal of the Pahokee Elementary School, who told about the tour of Europe which he and Mrs. Austin made during the past summer, traveling through England, France, Italy and Switzerland. President C. E. (Bill) Williams introduced the speaker and presided at the business session.

Mrs. Lowe Heads WSCS Youth Work

Mrs. Walter Lowe was elected secretary of youth work of the Pahokee Methodist Woman's Society or Christian Service and Mrs. L. J. Fraser, secretary of student work, at the October meeting of WSCS held in the new chapel Monday night with Mrs. Duncan Padgett, president, presiding. Mrs. Lowe replaces Mrs. Kyle Scott and Mrs. Fraser replaces Mrs. Lewis Friend, both of whom recently resigned.

A WSCS budget for the new church year was adopted at the meeting and it was voted to complete payment on the new carpeting for the church sanctuary.

Mrs. M. P. Holman, missionary education secretary, announced a United Nations' Jurisdictional study will be held every Friday in January. Mrs. J. L. Tyson, Jr., secretary of children's work, reported the Junior Fellowship has been re-organized for the coming year with a registration of 27 children and the Happy Helpers group is being re-organized this week.

Mrs. Ralph O. Johnson, WSCS program chairman, distributed year books at the meeting. The monthly attendance award was presented to the Margery Lair Circle which was in charge of the program.

Mrs. M. P. Holman, program chairman of the Margery Lair Circle, introduced Mrs. Frank Friend who spoke on "United Nations and World Affairs." Mrs. Robert J. Schroder presented the devotionals, the topic being "Peace and Light for All Peoples."

Cattlemen Will Meet Ocala Oct. 27

SILVER SPRINGS — A full program of talks, business and social activities is arranged for Florida Cattlemen's Association members when the group holds its annual convention here October 27-29.

Dr. J. Wayne Reitz, president of the University of Florida, and C. W. McMillan, new executive secretary of the American National Cattlemen's Association, are the two featured speakers. In addition, each of the men who have been mentioned as candidates for commissioner of agriculture will have an opportunity to speak briefly in a session which will be moderated by Farris Bryant, Ocala's gubernatorial hopeful.

Attendance of close to 500 is expected, according to Louis Gilbreath of Ocala, chairman for the host Marion County Cattlemen's Association.

Convention will begin with meetings of the Florida Beef Council and of FCA standing committees on Tuesday morning, October 27. A directors meeting that afternoon, and supper and dance that evening will complete the day's program.

An early start to see Thoroughbred training will begin Wednesday's program at 8:30 a. m., with a full morning of touring to follow. Opening general business session will follow on Wednesday afternoon, with a banquet Wednesday evening at which Glenn Woodward, Winn-Dixie Stores public relations man, will be the main speaker.

Final business session of the convention on Thursday will include election of officers, adoption of resolutions, with a noon-day adjournment.

SEE IT NOW AND SEE ALL THESE

new and different things

IN THE 1960 Chevy!

[new!]
easy loading
luggage compartment

New convenience has been built into Chevy's big, vacation-sized luggage compartment by lowering the loading height.

NEW
spaciousness inside

Inside you'll find room and more room. There's room to sprawl in, room to sit tall in—and the roofline has a respect for hats. A new flatter transmission tunnel is a boon to the middle man. Here is the kind of space that invites the family.

THRIFTIER
!!!new!!!
V8 POWER

Under the hood thrift is accented in a new standard V8, engineered to deliver up to 10% more miles for every gallon while giving you more zest at normal speeds. Or you might choose its teammate—Chevy's Hi-Thrift 6—the engine that starts saving the moment you flip the ignition switch.

NEW QUIET
AND COMFORT

Thicker, newly designed body mounts insulate you from road shock and noise, insuring an almost cocoon-like quiet. Full Coil spring suspension melts bumps as no other suspension system can. Oil hushed hydraulic

valve lifters reduce engine noise to a whisper.

[NEW!]
refinements
for the driver

Everybody will want to be the driver when he sees the kind of pleasure a turn at the wheel brings. The driver finds Chevy has further cushioned him from engine impulses by an improved clutch linkage system. He'll also find a convenient new parking brake that automatically returns to normal height after application.

Christian Science Group Of Canal Point

"Are Sin, Disease, and Death Real?" will be the subject of the Lesson-Sermon at Christian Science services Sunday.

God's healing and saving power will be brought out in readings from the Bible which includes this verse from Isaiah (52:9): "Break forth into joy, sing together, ye waste places of Jerusalem: for the Lord hath comforted his people, he hath redeemed Jerusalem."

Selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include (248:29): "Let unselfishness, goodness, mercy, justice, health, holiness, love—the kingdom of heaven—reign within us, and sin, disease, and death will diminish until they finally disappear."

The Golden Text is from Psalms (67:1, 2): "God be merciful unto us, and bless us; and cause his face to shine upon us; that thy way may be known upon earth, thy saving health among all nations."

Baptist Coop Plan Provides Record Amount Missions

An all time high of \$2,417,390.32 has been received by the Florida Baptist Convention for world missions causes through the convention's Cooperative Program for the year ending September 30, according to Dr. John Maguire, executive secretary-treasurer.

Receipts show an increase of 12½ percent over last year's total world missions offering and the suggested goal for next year is \$2,610,750.82. The goal will be presented for adoption at the annual state convention which will be held at Tallahassee, November 10-12, 1959.

Included in the Baptist Cooperative Program with in the state is the Florida Baptist Children's Home, Lakeland and Miami; ministerial education; Baptist Student Union work on all college and university campuses; Stetson University at DeLand, Baptist Bible Institute at Graceville; and the New Work Revolving Loan Fund which provides funds for the building of new missions in Florida. Also receiving a major share of this fund is the promotion of Sunday school, Training Union, Brotherhood, Music, and Woman's Missionary Union work in the local churches. The newest project sharing in this program is the Baptist Retirement Homes for senior citizens.

Fifty percent of the Cooperative Program monies goes to world missions outside the state, with the Southern Baptist Foreign Mission Board receiving the largest share. Southern Baptists now have 1328 foreign missionaries in thirty-nine different countries.

Presiding over the convention session at Tallahassee will be the Reverend Carl Howell, pastor, Murray Hill Baptist Church, Jacksonville, the convention's president.

Milton Carpenter Seeks Trustee Job

Milton Carpenter of Belle Glade is announcing his candidacy for school trustee to represent the Everglades section of Palm Beach County. Mr. Carpenter is seeking the spot now held by A. Roswell Harrington of Canal Point. The vote is county wide and the election will be held on November 3, 1959.

A resident of Belle Glade for the past five years, Carpenter is associated with his father in the Dan Carpenter & Son Agency, Pahokee, an insurance and real estate firm. He was born Dec. 25, 1928, in Pahokee and attended Pahokee High School and the University of Florida.

Carpenter now resides at 316 N. W. Ave. E, Belle Glade, with his wife and two daughters, one of whom attends elementary school in Belle Glade.

Carpenter served two years in the U. S. Navy during 1946-47. He is currently a member of the Belle Glade Lions Club and of Belle Glades Masonic Lodge 273 F. & A. M.

An active church member, he directs the intermediate choir of the Community Methodist Church and the senior choir of the First Methodist Church in Pahokee, and also serves as a member of the Board of Stewards of the Community Methodist Church.

Claims Court Is Scheduled Oct. 29

Cases filed through today in Small Claims Court in Palm Beach County may be heard at the Glades Office Building on October 29, according to Judge F. A. Currie who will hear the cases. This will be the first county court operation of any kind ever to be held in the western section of Palm Beach County, according to County Commission Vice Chairman Paul Rardin who, with State Representative Emmett S. Roberts of Belle Glade, was instrumental in establishing the Small Claims Court in this area.

Rardin To Greet Ag Group Oct. 16

County Commission Vice Chairman Paul Rardin will give the address of welcome to about 75 members and workers of the Agricultural Stabilization Committee when that group meets next Friday morning, October 16, in the Glades Office Building for an all day meet. The meeting is scheduled to start at 9:30 a. m. and is to be under the direction of J. N. Fichter.

The 1960 Ford Sunliner is one of 15 models in the new Ford line which will be introduced October 8 in Ford dealer showrooms across the nation. Featuring the strikingly modern rear deck and flat-wing motif, the new Fords are five inches longer, five inches wider and have more interior leg, hip, shoulder and head room than before. Ford's new integrated design, harmonizing the interior with a single, flowing exterior streamline, is proof that modern styling need not be radical or eccentric.

This 1960 Ford Galaxie Town Victoria shares the all-new styling characteristics of the other Ford models, yet bears unmistakable resemblance to the elegant Thunderbird profile. The new Galaxie is one inch lower than the 1959 model, but has more interior room for six big persons than ever before. The Galaxie also is available as a two- or four-door sedan. All Fords for 1960 have the slim-line, forward sloping front roof pillar that eliminates the "dog leg" for easier entry.

1960 Model Fords Now On Display In Pahokee At Pahokee Motor Co.

The 1960 Ford represents a styling theme originally created for later use but brought forward because of the spontaneous enthusiasm of company management when they first saw the car in advance studies.

J. O. Wright, Ford Motor Company vice president and Ford Division general manager, said the 1960 Ford was redesigned from bumper to bumper because "we wanted to increase passenger space and comfort and improve the roadability and handling ease and performance."

He said, "After the car originally planned for 1960 was well under way, the advanced styling office showed us some designs for Ford Motor Company cars even farther advanced than our planned 1960 model."

"One of these was called 'Quick-silver,'" "It captured everyone's imagination immediately, and we began to explore the possibility of advancing it to the 1960 models. We were faced with a crucial decision involving millions of dollars. 'When the engineers pointed out that a complete new car also would enable them to design additional quality features into the vehicle, company management gave the go-ahead."

"One of the most important features of the new Ford," Mr. Wright said, "is that it has been 'comfort-engineered.' There is substantially more hip room, shoulder room, leg room and head room in the 1960 Ford than there was in the 1959 model—which ranked far above its competitors in these vital comfort areas."

"With the new body design, the new frame, redesigned suspension and improved power train, the 1960 Ford rides better, handles better and performs better than any Ford in history," Mr. Wright said.

Passenger comfort and convenience have been given particular

attention in the design of the new Ford cars. New, swept-back windshield pillars have eliminated the troublesome "dog-leg" found in cars with the full-wrap windshield.

Yet, the new model Ford has 17 per cent more windshield area than last year's Ford, provides better visibility out over the hood, and has a windshield wiper pattern one-third greater than in 1959.

Ford's "posture-perfect" seats permit the driver and passengers to sit in comfort on foam padding and at what Ford research has proven to be the most comfortable seating angle.

Adding to the convenience of the new Ford line are such features as a trunk opening that is only 27 inches from the ground, a foot-operated parking brake with the release knob located on the instrument panel, and two-stage door checks.

The 1960 Ford line includes 15 models that offer a total of six different roof lines. At the low end of the line is the Fairlane series, which includes a two- and four-door sedan and a business Tudor. In the Fairlane 500 series are two models, a two- and four-door sedan. The popular Galaxie series, with its own Thunderbird-styled roof, includes a two- and four-door sedan, plus a four-door hardtop called the Town Victoria.

The Starliner, a new two-door hardtop entry in the Ford line, is one of two special models. The action-styled Starliner features a unique "fast-back" roof that sweeps gracefully back to blend with elegant rear deck. The other special model is the Sunliner, Ford's soft-top convertible.

Better stability, and improved handling have been accomplished partly through a wider tread, but mostly through the widening of the rear spring base. Two full inches have been added to the front tread width and nearly four inches to the rear tread.

Lions Club Hears Gordon Parker

Gordon Parker of West Palm Beach, former Pahokee resident, was guest speaker at the Tuesday luncheon meeting of the Pahokee Lions Club. Introduced by W. E. (Billy) McKinstry, he explained the new regulations for boats and boat motors in the State of Florida.

James Usher was received as a new member, with J. H. Wilkinson, Jr., past president, in charge of the induction ceremony. Present at the meeting was Roger Simonson, Pahokee High School Senior, son of Robert B. Simonson, immediate past president of the club, who was selected by the school faculty as student member of the club for the current school year.

Cub Scouts Hold First Fall Meet

Pahokee Cub Scout Pack 623 held its first pack meeting of the fall season in the social hall of the First Methodist Church with J. L. Tyson, Jr., cubmaster, presiding. W. D. Howard, Herman Magrill and Dr. R. C. Lane were appointed award judges for the monthly meetings. Den I was presented with the good conduct flag. Den IV was given special recognition for earning the most awards and Den III, for having the most visitors at the meeting.

Plans were made for a new den to be known as Den V. It was announced the theme for the October program is "Aesop's Fables."

Harry Cunningham was presented with a den chief cord. Arrow awards were presented to Bill Moss, Dick Tyson, Omar Adams, Rammie Long, Randy Laks, Billy Weathers and Lynn Fisher. Bruce Myers received a wolf badge; George Magrill, a bear badge; and Tommy Dickson, a Bobcat pin. The awards were presented by the cubmaster, assisted by W. O. Moss, assistant cubmaster.

Mrs. Helen Schroder has as a guest this week Miss Martha Kurtz of Pittsburg, Pa.

Harrington Seeks Trustee Job Again

A. Roswell Harrington, a Canal Point resident for 31 years, is this week announcing his candidacy for reelection as school trustee in the November 3 election to represent the Glades area of Palm Beach County. He has been elected to three terms and has served as chairman of that group.

Trustee Harrington is a farmer and lives with his wife, Gladys and three children in Canal Point. He was a member of the Northwestern Palm Beach County Hospital board for five years and was recently elected chairman of the Palm Beach County Agricultural Stabilization Committee. He is a member of the Canal Point Lions club and has 16 years perfect attendance in Lionism, having been a member in Pahokee before the local club was formed. He is a past president and past zone chairman.

Mr. Harrington is a Mason, member of Farm Bureau, former RDB director, Men's Bible Class teacher in Canal Point Methodist church for 13 years and treasurer of the church for 25 years, member board of directors of Lake Okechobee Farmers Coop, member Athletic council, FFA Advisory council, attended University of Georgia and Sparks Junior College.

In commenting on trustee duties Mr. Harrington said: "I have personally interviewed all key teaching or supervisory personnel in my district. I have worked closely with the board and superintendent in all matters relating to the general welfare of the schools and believe that the mutual respect each of us has for the judgment of others makes a better school system."

"In regular and special trustee meetings," Mr. Harrington continued, "and in counseling with principals, teachers and parents, I drove my car approximately 4500 miles and gave better than 250 hours time during the past 12 months to do my part to provide the best schools possible for our children. This was done without any cost to the taxpayers. I feel that the home, church, school and community each share responsibility in the development and training of our children and I hope that our schools never become so socialized and so institutionalized that we lose lay interest of the average citizen for the successful operation of our schools."

In conclusion Mr. Harrington said: "I feel that my background and experience as proved by my past record gives me something of value that I may contribute to the schools of Palm Beach County. If allowed to make this contribution I believe that your child and my child will profit by it. Two years of my time to help provide wholesome influence and the best teachers possible may mean much in the life of our children."

WCS Program Held At Don Kepp Home

Mrs. Donald Kepp presented a program on "Good News of Peace and Light" at the October meeting of the Canal Point Methodist Woman's Society of Christian Service held in the church school building Tuesday night with Mrs. W. F. Underhill, Jr., acting as hostess. Mrs. Kepp was assisted by Mrs. J. P. Parker and Mrs. Robert A. Shelley. It was announced Mrs. W. K. Buchanan would lead the third session of the study of the fall mission study book in the absence of the Rev. Shelley. Mrs. C. L. Stuart was named hostess for the next meeting on Nov. 3, with Mrs. A. R. Harrington to have charge of the program.

HAS A BIRTHDAY PARTY

Kathy Folds celebrated her 11th birthday anniversary at a party given by her mother, Mrs. Harris Folds, at their home in Pahokee. Guests were Lawrence Edmundson, Joe Ellen Brown, Dell McDowell, Faye Harris, Patricia Nolan, Annette Nix and Sandy Pierce.

Canal Point PTA Views A Film

Members of the local PTA gathered at the school auditorium on Monday evening to view a film "Power for the Future" showing the progress in education in Florida over the past ten years.

Mrs. Close, speech therapist for Glades schools, spoke briefly about her work with handicapped children.

A report from the school cafeteria showed the following number of meals served during September:

Children	2,351

A WONDERFUL NEW WORLD OF FORDS FOR 1960

**FINEST FORDS
OF A LIFETIME**

This new Ford Galaxie, like all the new, beautifully proportioned 1960 Fords, is styled from a new viewpoint. Traditional automotive elegance combines with modern design in the style of a new decade!

In 1960, for the first time in history, your Ford Dealer presents not one, not two, but **three new lines of Ford cars** . . .

1. The 1960 Fords—The Finest Fords of a Lifetime, beautiful from any *Point of View* worth more from every *Point of Value*!
2. The 1960 Falcon—The New-size Ford, the world's most *experienced* new car and the easiest car in the world to own!
3. The 1960 Thunderbird . . . The World's Most Wanted Car!

**Introducing the New-Size Ford . . .
the 1960 Ford *Falcon***

Meet the New-size Ford—the Falcon! Here's a car with plenty of room for six big adults and all their luggage. It's sized to handle and park like a "small" car . . . powered to pass and climb like a "big" car . . . and built like no other car for savings!

It gives you up to 30 miles per gallon on regular gas. Aluminized mufflers normally last twice as long as ordinary kinds. A Full-Flow oil filter lets you go 4,000 miles between oil changes. Even insurance can cost you less! And this Falcon is the world's most *experienced* new car. It was driven over every mile of numbered Federal Highway in EXPERIENCE RUN, U.S.A.—a grueling demonstration climaxing Ford's 3 years of development and testing.

The Falcon has the features that American car buyers expect. Its gearshift is on the steering column—not on the floor. Its engine is located up front for greater stability and safety. Best news of all is the Falcon's low, low price. See it at your Ford Dealer's . . . and see the difference!

Now you can see them—the Finest Fords of a Lifetime! Economy-minded Fairlanes. Big-value Fairlane 500's. Elegant Galaxies. A breath-taking new Sunliner convertible and a brand-new hard-top model, the flashing Starliner. Then there's a whole new world of Station Wagon Living, too. It all adds up to 15 glittering variations of the world's newest, most elegant styling theme!

And Ford sets the new trend in power. Ford's Thunderbird 292 V-8 and 352 V-8, like the famous Mileage Maker Six, bring a new world of smoother, hotter performance—on regular gas.

To top it all, the Finest Fords of a Lifetime are priced for savings. Ford is still priced to outvalue all comparable models of its major competitors.

Ford savings, however, only *begin* with a low price. You save still more with engines that thrive on regular gas and save up to a dollar on every tankful . . . a Full-Flow oil filter that lets you go 4,000 miles between oil changes . . . Diamond Lustre Finish that never needs waxing . . . aluminized mufflers that normally last twice as long as conventional types . . . new, safer, Truck-Size brakes that are the biggest ever in Ford's history . . . and new soft-tread, Tyrex cord tires that run quieter, last longer.

In every way these are the Finest Fords of your Lifetime! See them at your Ford Dealer!
